

# SIGLOG

LICS 2020 Business Meeting

Frank Pfenning (chair)

# ACM

- Association for Computing Machinery
  - “Advancing Computing as a Science & Profession”
- SIGs (Special Interest Groups)
  - Conferences
  - Journals
  - Regular leadership elections
- Recent progress
  - Commitment to [Open Access](#) (warning: it’s complicated)
  - [Diversity and Inclusion](#)
  - [Climate Change](#) (led by SIGPLAN)

# ACM SIGLOG

- Sponsored events
  - Logic in Computer Science (LICS)
  - Women in Logic (WiL)
  - Many “in cooperation”
- Alonzo Church Award
- Publications
  - Transactions on Computational Logic (ToCL)
  - Newsletter

# SIGLOG / People

- People: Frank Pfenning (chair)
- Véronique Cortier (vice-chair)
- Amy Felty (treasurer)
- Andrzej Murawski (secretary, publications)
- Alexandra Silva (conferences)
- Founders 2013-2019 — **Thank You!**
  - Prakash Panangaden (chair)
  - Luke Ong (vice chair)
  - Alexandra Silva (secretary)

# SIGLOG / Membership

- **Low membership numbers**
  - ~300, should be a multiple!
  - **\$25 / year** for SIGLOG-only (\$15 for students)
  - <https://www.acm.org/special-interest-groups/join>
- Member benefits
  - Reduced registration (LICS, POPL, ...)
- Community benefits
  - Conferences, workshops, summer schools, travel grants
  - Publications, awards
- Membership matters!

# SIGLOG / Become Engaged!

- Area editors for newsletter
- Reboot education committee
- Logic and Computation is not just about LICS
  - Strengthen relationships with sister organizations
  - Theorem proving / verification / security / logic programming / ...
- Email me ([fp@cs.cmu.edu](mailto:fp@cs.cmu.edu)) or anyone else on the board!
