

LICS 2021

Logic in Computer Science

29 June – 02 July, 2021

Rome, Italy

The Host City

The Local Organization

- Sapienza is the biggest and one of the oldest universities in Europe
- Its Computer Science Department has been ranked several times as the best CS Dep. in Italy (5 ERCs, 4 Google research awards, 1 Shannon award, ...)
- LICS General Chair: Daniele Gorla
 - PhD in 2005 with Rocco De Nicola
 - Since 2012 Associate Professor @ Sapienza
 - Concurrency theory (process calculi with mobility and security, expressiveness, ...)
 - General chair of ETAPS'13
 - PC co-chair and local organizer of CONCUR'14
 - General co-chair of ICALP'16

Location

- We shall try to organize the conference in a hotel, that provides better facilities than our campus
- First Solution: NH Roma Centro (close to the Vatican)

- Second Solution: Barcelo Aran Mantegna (EUR Garbatella)

Two theory weeks in Rome (2021)

June 20th – 25th: STOC

(organized by Stefano Leonardi – Computer Engineering @ Sapienza)
